Office: 952-222-4004

## **SATALLITE DISH NOTICE**

**Homeowners who have satellite dishes will be without service during the re-roofing of your building. Homeowners will be responsible for coordinating connection and cabling of satellite dishes. Capital Construction will ONLY remove the satellite dish and place the dish near the front door of the unit and the Homeowner will need to coordinate service connection with provider. Please refer to the Association approved installation guidelines and share those with your installer.**

**If you DO NOT want your satellite dish and wish for the crew to dispose of it please contact Josie Flicek (ASAP) at 952.222.4004 or at [josie.f@capitalmn.com](mailto:josie.f@capitalmn.com) to let her know so it can be properly disposed of.**

**Thank you,**

**Capital Construction**
