SATELLITE DISH NOTICE

Homeowners who have satellite dishes will be without service during the re-roofing of your building. Capital Construction will reset the dish to the best of their ability, however if you experience issues please notify your service provider to schedule a service call for recalibration.

All satellite dishes will be removed and NOT put back up unless the homeowner requests for it to be put back up. Please contact Cole Quinnell before the start of your building by calling 952.222.4004 or emailing cole.q@capitalmn.com so it can be properly Installed again

Thank you, Capital Construction
