

We will be starting your roofing project on:

<i>Vehicles</i>	<p>VERY IMPORTANT</p> <p>◆ Have your vehicles out of the garage and moved away from the front of your garage by 7:00 A.M. before the day listed above to prevent damage to vehicles. NOTE: Units will be posted individually to fall in line with this request prior to start</p>
<i>Suggestions to Ensure a Problem Free Roof...</i>	<p style="text-align: center;"><i>Please Take Preventative Action Inside Your Home...</i></p> <ul style="list-style-type: none"> ◆ Check, and/or remove paintings, antiques, photos, mirrors, etc. from walls, as these may incur damage if they fall due to the walls vibrating during siding. ◆ Cover any and all items in the attic that may get dirty or damaged during the siding project as some debris may fall on them during siding. ◆ Move all grills and decorations off deck including plants and anything of value.
<i>Landscaping And Shrub Protection Efforts...</i>	<ul style="list-style-type: none"> ◆ If there are any special or delicate plant or shrubs, please notify us of them before the job starts and we will protect them as best as possible.
<i>Superior Clean-up Program...</i>	<p><i>One of the most important aspects of siding is keeping your home clean during the project. Here is how we strive to do this every day...</i></p> <ul style="list-style-type: none"> ◆ Clean your site during the day and at the end of the day. ◆ Clean your lawn and site with our magnetic “nail-finder” to reduce chance of any nails being left in your lawn. ◆ Keep our tools and materials meticulously organized and out of the way.
<i>Conditions Beyond Our Control...</i>	<p><i>Please be aware that despite our best efforts the following may occur during roofing projects and are not the responsibility of the roofing contractor.</i></p> <ul style="list-style-type: none"> ◆ <i>Existing structural problems</i> such as loose or cracked plaster and drywall, sagging rafters, nail-pops, bowed walls, previously rotted or damaged siding materials, etc. ◆ <i>Scheduling difficulties...</i> We do our best to stay on schedule, but mother nature and other emergencies can lead to delays. We will do our best to limit delays.
<i>Help Us Help You...</i>	<p><i>If there are any concerns, or ways for us to make this project less of an intrusion, please let us know, and we will address them as soon as possible. Thank You.</i></p>
