TERMS AND CONDITIONS SUMMARY

Informational Use Only: This document is not a contract and is provided for informational and proposal purposes only. A separate Service Agreement will be issued and must be signed by both parties to authorize enrollment in the Fortified Guard Program and initiate inspection services.

Payment: Payment is due upon completion of each inspection unless prepaid annually. Invoices are issued electronically and must be paid in full before subsequent visits are scheduled.

Contract Term: Annual agreement that automatically renews each year unless canceled at least **30 days before renewal**.

Authorized Access: The Client grants Fortified Roofing & Siding permission to access roofs and exterior surfaces, whether or not the owner or manager is present. All inspections will be conducted safely and professionally in accordance with OSHA and manufacturer standards.

Inspection Only: The Fortified Guard Program provides visual inspection and documentation services only. No warranty or guarantee of watertightness, system performance, or future condition is implied. Inspection findings are based on conditions visible at the time of the visit. Weather, temperature, and roof accessibility can affect what can be observed.

Liability Limitation: Fortified's total liability under this program shall not exceed the total fees paid for the inspection services provided. The client affirms that they carry property and liability insurance and agrees to indemnify Fortified from claims arising from pre-existing conditions, concealed damage, or site hazards.

Scheduling & Weather: Inspection scheduling is subject to safe weather and site conditions. In the event of inclement weather, visits will be rescheduled promptly.

Reporting: Inspection reports are issued electronically and stored in Fortified's secure client archive for reference and insurance documentation

Multi Building Discount Policy: Discounts for additional buildings on the same property cannot be combined with multi-property. Only one discount category may be applied per agreement. The additional building rate applies only to buildings located **on the same property and under the same address** as the primary structure.
